WATER AND WIND PROOF

Footmuff is waterproof with a water column of 3000 mm and windproof. The detachable fur lining of the hood provides safe protection for your child from the cold. It has a special **BIONIC-FINISH® ECO finish**. It is a patented, environmentally friendly impregnation technology. It does not contain any harmful fluorocarbons and yet has a very high water resistance.

+ International reference designation **OEKO-TEX®** guarantees that the fabrics used in the product are environmentally friendly, from the production of the fibre to the final product.
